

South Downs Group AGM 2009

Group Leaders Report

2009 has been yet another busy and successful year for SDG.

We have enjoyed events organised by an ever increasing number of members, fulfilling one of last year's aims by getting people involved. We've had a number of new members join us, and more importantly come back. Attendance has been good at all of our events, with members being able to pick and choose from a wide range including shows, bbqs, European trips and Sunday runs out.

Communication between our neighbouring groups was given a boost by the South Eastern Inter-Group Meeting organised by Mark Treadwell and George Jackson. We also had a reasonable representation at the International.

As a committee this year we have realised that, due to many different factors, our general communication with the membership has not been as thorough as we would have liked. Next year's committee will be working on up to date communication with members through the website, club nights, the pages of TR Action as well as a few more thoughts in the pipeline.

Being a short report I shall now end by thanking the members of the committee for their hard work throughout the year, also everyone that has organised or helped to organise an event, not forgetting everybody that has come along and supported this year's offerings.

We hope that SDG can move forward in 2010 with a good spread of events and the proposed improvement in communication.

Gregg May

South Downs Group Leader
